ABOUT JAY & JOSS

SHORT · 50 WORDS

Jay & Joss are a married British magic duo who blend modern illusion with daring stunts. Seen on *Britain's Got Talent* and *Penn & Teller: Fool Us*, they are The Magic Circle's 2024 Champions of Stage Illusion and part of the inaugural cast of *America's Got Talent: LIVE on Stage*.

MEDIUM · 120 WORDS

Jay & Joss are a married British magic duo whose shows mix large-scale illusion, daring stunts and cutting-edge technology. Their wedding-themed audition won over the *Britain's Got Talent* judges in 2024, and they have performed for Penn & Teller on *Fool Us*.

Associates of The Inner Magic Circle with Silver Stars, they were named The Magic Circle's Champions of Stage Illusion in 2024 and perform every year at the Royal Variety Aftershow. In 2026 they toured the UK with their own theatre production, *It's Not A Game*: 29 shows in 28 theatres. They are now part of the inaugural cast of *America's Got Talent: LIVE on Stage* aboard Royal Caribbean's Legend of the Seas.

LONG · 250 WORDS

Jay & Joss (Jamie Docherty and Lewis Joss) met at the world's largest magic convention and have performed together for more than ten years. They married in 2023.

Their act grew on fringe stages and in resort theatres. Their show *Imagination* played around 250 times a year at Butlin's resorts, and in November 2024 made its theatre debut at The Core at Corby Cube.

On television they have performed for Penn & Teller on *Fool Us* (2021) and won over Simon Cowell, Amanda Holden, Alesha Dixon and Bruno Tonioli on *Britain's Got Talent* (2024), appearing on ITV's *Lorraine* the same month. They have sawn presenters in half live on Radio X's *The Chris Moyles Show* and BBC Radio Northampton, and made Wicksteed Park's train vanish for ITV News.

In 2024 The Magic Circle named them Champions of Stage Illusion. Both are Associates of The Inner Magic Circle with Silver Stars, and they perform every year at the Royal Variety Aftershow.

Behind the scenes they design illusions for others, including a vanishing motorbike for Stephen Mulhern and the illusions for the sci-fi horror *The Void*.

In 2026 they took *It's Not A Game*, written by Ryan Simons and produced by Alex Moran, to 28 theatres across the UK. They are now part of the inaugural cast of *America's Got Talent: LIVE on Stage*, the first *Got Talent* show at sea.
